Parameters (References)	Specifications	Result	Evaluation
Appearance, optic test (DAB-Monograph)	Brown green plant material, fragments of peduncles, bracts and panicle sections as well as individual flowers and flower organs with whitish ovary, that may contain a small brown ovule, and a brown pistil. Bracts and all flower organs are more or less densely covered with excreted resin-adhesive glandular hairs.	passed ^{2b)}	passed ^{2b)}
Smell	Earthy, Wood, Pine	passed ^{2b)}	passed ^{2b)}

I hereby certify that the above information is authentic and accurate. This batch of product has been manufactured, under GACP, packaging and quality control in full compliance with GMP requirements and with the specifications as stated in this document. The batch records were reviewed and found to be in compliance with GMP.

Date, signature: 03/12/2021 
 Dr. Henning Kuehl
 Qualified Person §15 AMG (German Law on Drugs)

Name and address of importer in EU and manufacturer: (for manufacturers outside the EU)	Canopy Growth Germany GmbH Lanzstrasse 20 D-68789 St. Leon-Rot Germany
Name and address of manufacturers under EU-GMP and GACP	Tweed Inc. 1 Hershey Drive Smiths Falls, On, Canada K7A 0A8

*Testing is not required when the batch is produced in a controlled GMP environment without pesticides.
 **If Gamma Irradiation is used the maximum dose is 10kGy (total overall average dose). N/A = Not gamma irradiated
